<div align="center">

Windows Administrators Meeting
May 11, 2007
Notes (taken by Steve Kunz)

</div>

Meeting Started (9:00)

Announcements

- Schema mods for Unix Identity Management are scheduled for Saturday, May 12. See the following for more info:
  http://tech.ait.iastate.edu/win2000/admin/Announce.04.18.07.pdf
  http://tech.ait.iastate.edu/win2000/admin/WinAdmin.04.13.07.pdf
  While the schema mods will be made on May 12, the actual loading of values will not begin until the week of May 14-18. Values will be staged in (probably by college). Watch for email announcements to the WinAdmin mailing list indicating when the new processing is complete.
- Planet Technologies recently presented a two-day "Vista Deployment Workshop" on campus. The presenter (Keith Hitchcock) gave permission for us to distribute some of the course materials to Iowa State University IT support staff. The materials left by Keith Hitchcock are on a Windows DFS share here:
  \\iastate.edu\ait\ccsg\VistaDeploymentWorkshop
  Please do no make these materials available to people outside of ISU. Keith Hitchcock's email address is contained in the ReadMe.txt file in the above folder.

Open Discussion

Nobody had any topics discussion.

Meeting Adjourned (10:15)

Next meeting is scheduled for June 8, 2007. If there are no pressing agenda items this meeting will likely be cancelled. Watch the WinAdmin email list for announcements.
