

Windows Enterprise Announcement

Sep 22, 2011 – Suspension Dates for Fall 2011

IT Services will be suspending/expiring accounts in accordance with the normal provisioning policies for fall 2011 as follows:

- 2011-09-27 - Suspension email notifications go out
- 2011-10-24 – Expire lists of previously suspended accounts
- 2011-10-25 - Suspend accounts
- 2011-10-26 - Suspend lists owned by newly suspended accounts

OU managers are reminded that they should NOT simply re-enable a NetID-based Active Directory account that may be suspended in this process. They should re-enable the account at the university level. Contact the Solution Center for assistance.
